Acetone

Acrylonitrile

Butyl Acrylate Monomer (BAM)

Butyl Acetate

C9 Solvent

C10 Solvent

Caustic Soda Lye

Cyclohexane

Cyclohexanone

Di Ethylene Glycol (DEG)

Ethylene Dichloride (EDC)

Ethanol (95% & 99.9%)

Ethyl Acetate

Ethyl Acrylate Monomer (EAM)

Ethylene Diamine (EDA)

Hydrogen Peroxide

Iso Butanol (IBA)

Iso Propyl Alcohol (IPA Pure & 85%)

Methanol

Methylene Di Chloride (MDC)

Methyl Ethyl Ketone (MEK)

Methyl Iso Butyl Ketone (MIBK)

Methyl Meth Acrylate (MMA)

Mixed Xylene (Isomer & Solvent)

Mono Ethylene Glycol (MEG)

MP Diol

N-Butanol (NBA)

Product Range

Bulk Products

N-Hexane

N-Propanol

Pentylol

Phenol (Molten & Hydrated)

Prop-BH

Sabutol

Styrene Monomer

Toluene

Vinyl Acetate Monomer (VAM)

Product Range

Packed Products

2-Ethylhexyl Acrylate (2-EHA)

Adipic Acid

Butyl Acrylate Monomer (BAM)

Butyl Glycol (BG)

Calcium Carbonate Coated Filler

Caustic Soda (Flakes & Prills)

Caustic Potash Flakes

Cresols (Meta, Para, Mixed & Ortho)

Deca Bromo Diphenyl Ethane (DBDPE)

Dicyandiamide (DCDA)

Di Propylene Glycol (DPG)

Dimethyl Formamide (DMF)

Epichlorohydrin

Ethyl Amyl Ketone (EAK)

Ethyl Acrylate Monomer (EAM)

Product Range

Packed Products

Glacial Acrylic Acid (GAA)

Hydrogen Peroxide

Iso Phthalic Acid

Iso Propyl Alcohol (IPA)

Masterbatches (White & Colour)

Melamine

Melamine Cyanurate Flame Retardant (MCA25)

Methacrylic Acid (MAA)

Methylene Di Chloride (MDC)

Methyl Methacrylate (MMA)

Methyl Acrylate (MA)

Mono Ethanol Amine (MEA)

MP Diol

Nylon 6

Phosphoric Acid 85%

Polypropylene

Polyethylene (LDPE, LLDPE, HDPE)

Poly Vinyl Chloride (PVC)

Potassium Carbonate (Granules & Powder)

Propylene Glycol

Titanium Di Oxide (TiO₂)

Vinyl Acetate Monomer (VAM)

About Us

Crescent group was established in 1964 with HQ in Mumbai as an importer and distributor in Solvents, Petrochemicals, Polymers & Specialty Chemicals.

Crescent Organics Pvt. Ltd. is engaged in international indenting, trading, distribution and related activities with a focus on market development of agency products while enlarging the range of products and strengthening the import, export & indenting business.

Another group company Crescent Chemicals is engaged in distribution of domestic principals since 6 decades and continues to focus on developing the market share for its existing principals along with looking at expanding its distributorship portfolio by leveraging its end user base approach to help develop markets for complimentary products for potential principal suppliers.

About Us

Products marketed by Crescent caters to all the segments of the Indian Industry like paints & coatings, printing ink, agro chemicals, adhesives, flavors & fragrances, pharmaceuticals, construction chemicals, laminates, specialty chemicals, other intermediates, etc. Our marketing network runs through all major cities: Mumbai, Delhi, Vadodara, Ahmedabad, Daman, Hyderabad and Chennai, with direct access to all major end-users.

Crescent handles half a million tons of bulk and packed products annually and has adequate storage facilities for handling bulk imports as well as ample warehousing facilities to store packed products. Having strong relationship with Indian Chemical, Petrochemical and Polymer industries, we have diversified our business activities in the field of exports of our products to Middle East, Sri Lanka, Bangladesh, Nepal, etc.

Apart from trading, distribution & indenting on behalf of our principals, Crescent renders ancillary services including storage in shore tanks at terminal ports, custom clearance, cargo-survey and arranging deliveries as per customers' requirements. Transparency of Crescent's business policy and ethical business practices makes the users feel secure and satisfied with our services.

About Us

The extensive experience accumulated for over the past 60 years has helped Crescent in maintaining its outstanding position in the field of chemical & polymer trading and distribution. Determination to move forward against the odds, optimistic outlook and our limitless urge to improve on the performance year on year, have been a combining factor in achieving the status that the group currently enjoys.

Looking ahead we are confident enough in our ability to exploit new market opportunities brought about by the changing global scenario and rapid development of the Indian industry and the current positive economic climate coupled with robust demand in India.

It is our constant endeavour to provide better and improved services to both our customers and suppliers, which is the key to our success.

Keeping up with the rapidly growing globalization of the international chemical trade, the Group has acquired in the year 2000 a major shareholding in Kemsol Ltd., an UAE based chemical & polymer distribution company having state of the art warehousing facility in Jebel Ali Free Trade Zone (JAFZA) and catering to Middle East customers.
